**THOROUGHBRED EDUCATION AND RESEARCH FOUNDATION
AWARDS \$4000 TO
RETIRED RACEHORSE PROJECT**

The Thoroughbred Education and Research Foundation (TERF) is pleased to award the **Retired Racehorse Project (RRP) \$4000 to be used for educational purposes.**

RRP's mission is to facilitate placement of Thoroughbred ex-racehorses in second careers by increasing demand for them in the equestrian marketplace and educating equestrians to provide the training that secures their future. The driving force behind everything RRP does is educating the public, especially equestrians and equine enthusiasts, about the potential and versatility of off-track Thoroughbreds as riding and competition horses. RRP does this through their popular Thoroughbred Makeover and National Symposium.

In 2018, TERF generously awarded RRP with a \$20,000 grant that supported their expanded 4-day model of the Thoroughbred Makeover and National Symposium, increased RRP presence at equine events throughout the U.S., and helped create the popular "Ask a Trainer Anything" feature, in which a panel of experts responded to training questions. Last year TERF was kind enough to offer the RRP a grant of \$5,000 to be put toward the Makeover.

In alignment with their mission to support and promote equine education by supporting organizations that are educating the public on the proper care of horses, TERF continues to offer their financial assistance in 2020. The grant will facilitate this year's Makeover Master Class and help expand the Thoroughbred Aftercare Summit at this year's Thoroughbred Makeover and National Symposium.

TERF's grants reflect the values set forth by founders Herb and Ellen Moelis. TERF's current Board, includes co-Chairs Kathleen Anderson, DVM, and James Orsini, DVM, Margaret H. Duprey, Gretchen and Roy Jackson, Ellen and Herb Moelis, Wendy Moon, Anita Motion, Toni Orsini, Scott Palmer, VMD, Josh Pons and Lucy Zungailia.
